Dear Sir/Madam

Annual Report

A final illustrated version of the 2013 annual report has been finalized and is available on the Company's web site at www.incremental油和gas.com.

We bring to your attention an addition made on page three to comply with ASX listing rule 5.39.5 as follows:

Incremental's reserves have been evaluated as at 31st December 2013 by independent certified engineers (see above). As required under applicable laws, Incremental provides estimates of reserves annually as of the year end and these estimates are evaluated and confirmed by certified engineers or other suitably qualified persons. Incremental may disclose reserves estimates at interim periods where such disclosure is deemed necessary or desirable given the change in reserve estimates from prior independent evaluation. Such interim estimates may be performed internally and are not necessarily evaluated by qualified independent engineers. All reserve estimates that are disclosed by Incremental are subject to review and approval by the Company's Board of directors which includes the Managing Director, Mr Gerry McGann whose qualifications are stated above.
