**Entitlement Offer**

Incremental Oil and Gas Limited (ASX: IOG) ("IOG" or the "Company") is pleased to announce a renounceable pro-rata entitlement offer (**Entitlement Offer**) to of 5 new shares for every 7 IOG shares held on 17 October 2017 (**Record Date**) at an issue price of \$0.015 per share to raise up to ~A\$2.17 million before costs.

The Entitlement Offer issue price of A\$0.015 per New Share represents:

The net proceeds from the Entitlement Offer are expected to be used to fund:

- (b) working capital for further development of the Company's projects.

**Details of the Entitlement Offer**

The Company has prepared a prospectus for the Entitlement Offer dated 11 October 2017 which has been released to ASX today (**Prospectus**). The Prospectus contains full details of the Entitlement Offer and should be read in full.

Only IOG shareholders with registered addresses in Australia and New Zealand on the Record Date are eligible to participate in the Entitlement Offer if they meet the eligibility criteria set out in the Prospectus (**Eligible Shareholders**). As the Entitlement Offer is renounceable, investors who purchase an entitlement from an Eligible Shareholder (during the entitlement trading period) may also exercise entitlements provided that they have a registered address in Australia or New Zealand and otherwise meet the eligibility criteria set out in the Prospectus (**Eligible Entitlement Holders**).

Eligible Shareholders and Eligible Entitlement Holders are collectively referred to as "**Eligible Offerees**".

Any investor who is in the United States, is a US Person or is acting for the account or benefit of such persons or who is ineligible under all applicable securities laws to receive an offer under the Entitlement Offer will not be entitled to participate.

Eligible Offerees (other than directors and related parties of IOG) may, in addition to taking up their entitlement, apply for additional New Shares in excess of their entitlement under the 'Top-Up Facility' offered under the Entitlement Offer.

### **Trading of Entitlements under the Entitlement Offer**

Entitlements are renounceable and will be tradeable on ASX or transferrable off-market. This provides Eligible Shareholders the opportunity to sell some or all of their entitlements in order to realise value for those entitlements. Trading of entitlements is expected to commence on ASX on Monday 16 October 2017 (on a deferred settlement basis) and to end on Friday 27 October 2017.

It is the responsibility of purchasers of entitlements to inform themselves of the 'eligibility criteria' (details of which are set out in the Prospectus) for exercise. If holders of entitlements after the end of the trading period do not meet the eligibility criteria, they will not be able to exercise the entitlements. In the event that holders are not able to take up their entitlements, those entitlements will lapse.

### **No underwriting**

The Entitlement Offer is not underwritten.

### **Lead Manager**

CPS Capital Group Pty Ltd (CPS Capital) has been appointed as lead manager for the issue.
