Dear Sir/Madam

ISSUE OF EMPLOYEE SHARES
Appendix 3B – application for listing of shares

The Board has recently completed a review of its remuneration arrangements for its employees and as part of this process, it has agreed to issue 360,000 shares to current five senior professional staff at a price of \$0.25 per share. This remuneration strategy will align the interests of shareholders and executives. None of these employees are directors of Incremental Oil and Gas Ltd. The shares are being paid for by way of an interest free, non-recourse loan issued by the company. These shares will have a vesting period of between one and two years and the employee share plan will be administered by Trinity Management Group Pty Ltd.

The issue of these shares to management, with a vesting period, is intended to reward employees for their loyalty. The allocation of company stock is a common condition of employment in the USA, where the majority of IOG staff are employed. The value of these shares is taken into consideration when setting the employees overall salary package.

Attached is an Appendix 3B which provides details of the issue and seeks for these new shares to be listed as ordinary fully paid shares.

Gerry McGann
Managing Director
